Attachments: [FCR-17_Vibracore Step-Out Cores_2022-03-30.pdf](#)

Hi Eron,

Please see attached approved FCR-17. Also, please consider collecting an additional step out sample to the east of SC-70 and to the north of SC-52 to adequately delineate chlorobenzene contamination in these directions. This would allow for greater certainty during interpolation of SMAs in these areas.

Thank you,
Madi

Hi Madi,

Attached for your review is the draft FCR for the step-out cores in the navigation channel to delineate chlorobenzene.

Please let me know if you have any questions or comments. Thanks!
